

## Watervliet Elementary School

### Summer School Registration Form 2009

Dear Parents/Guardians,

The Watervliet City School District, Elementary Summer School Program will be open to all students currently enrolled in the Watervliet City School District. The program is offered to all students entering kindergarten through grade six. The program runs Monday through Thursday, 8am – 12pm starting on July 6<sup>th</sup> and ending on August 13<sup>th</sup>. Due to the final stages of the construction project at Watervliet Elementary School, the program will be held at the Watervliet Jr. /Senior High School. The four day a week program allows students to get the much needed extra support to make significant academic gains as well as to have a relaxing and enjoyable summer vacation.

The core of the program focuses on the development of reading and mathematics skills to prepare students for their next grade level and for future success. In addition to offering extensive opportunities for students to build on previously taught material, students will also be exposed to a wide variety of enrichment activities and special area courses. We are pleased to announce that several of our programs will incorporate: art, drama, physical education, instrumental music, and computers.

**Transportation to and from summer school will only be provided for our students participating in the Kindergarten Readiness Program. All students entering first grade through sixth grade are responsible for their own transportation to and from summer school.**

We hope that you strongly consider enrolling your child into our summer school program. This is a great opportunity to keep your child engaged in learning over the summer months and to greater prepare them for the challenges they will face in their next grade.

**Should you wish to enroll your child in the Summer School Program, please complete the registration information on the back side of this paper and return it to your child's current classroom teacher by June 1<sup>st</sup> 2009.**

Thank you for continued dedication to your child's education, we hope that you strongly consider this wonderful opportunity for your child.

Sincerely,

Benjamin Roberts

Summer School Principal
