**Transportation Eligibility:**

The pupil must be a resident of the Enlarged City School District of Watervliet, NY.

Grades K-6:

The Board of Education will provide round-trip transportation for all children in the Enlarged City School District of Watervliet, including Mannsville, who attend schools located 4/10<sup>th</sup> (four-tenths) of a mile or more distance from their home.

Transportation for K-6 pupils residing within the city limit shall be restricted to such limits. Parochial school students will be transported in the parochial school of their choice **within** the city limits.

Grades 7-12:

The Board of Education will provide round trip transportation for all children living in the Enlarged City School District of Watervliet who are enrolled in grades 7-12 and attend schools located more than 1 ½ (one and one half) miles distance from their home. Such transportation is restricted to that which is available by public transportation. The means of transportation provided will be "Swiper Cards," to be used on a public service carrier of the Board's choice, to allow one trip to and from the school each day of the student's required attendance. "Swiper Cards" are distributed monthly through the Business Office at the Watervliet Jr/Sr High School.
