(suggested: scientific calculator (Texas Instrument 30XA))
- Adv. Math - Same as math
- English - Composition notebook
- Social Studies - One 3-subject notebook with pockets, pens (black or blue only), pencils, colored pencils (24 count), loose-leaf paper
- Science - One 2 inch binder, Marble composition book (if you did not have one last year or are new to the district), highlighter, colored pencils
- Foreign Language - 1 binder, loose-leaf paper, dividers (for Spanish) and pen or pencil
- Art - Pencils and erasers
- Health - Notebook or 1 inch binder with loose-leaf paper, and bring a pen every day to class
- Home & Careers - Loose-leaf paper, pens and pencils
- PE - Change of clothes: T-shirt or sweatshirt, shorts or sweatpants, sneakers and deodorant (no aerosol spray cans)

**IDEAS:**

If you have already purchased supplies that are different than on the supply list, do not worry these are suggested items. If possible, purchase binders/notebooks that are different colors to make locating items in locker easier.

- Please put student's name on the outside of notebooks, binders and folders in case he or she misplaces these items.

Current 7<sup>th</sup> grade students have found that backpacks with wheels will not fit into the 7<sup>th</sup> grade lockers. The width of the locker is 11 ½ inches and the depth is 10 ½ inches, but the door opening is only 8 ½ inches wide.

Locker shelves are great for keeping the locker organized. If purchasing one, please look for shelves that are tall enough to stand textbooks upright underneath it.
