HEALTH CAREERS EXPLORATION DAY

Presented by:

*The Center for Learning and Development
& Diagnostic and Therapeutic Services*

Saturday, November 21, 2009

9:30 am - 3:00 pm

at Albany Medical Center

Huyck Auditorium

43 New Scotland Ave.

Albany, NY 12208

PURPOSE

The purpose of this program is to provide high school students with an opportunity to explore career in health care areas such as cardio respiratory services, physical therapy, occupational therapy, audiology, communications disorders, clinical neurophysiology, diagnostic imaging, laboratories, pharmacy, cardiac catheterization/ electrophysiology, & non-invasive cardiology. Students who are uncertain about their career choice are encouraged to attend.

TARGET AUDIENCE

Target audience for this program includes all middle and high school students who may be interested in a career as a health care professional in these non-nursing, non-medicine allied health areas. Parents are invited to attend.

The Albany Medical Center Professional Image Standards Policy is in effect at Albany Medical Center sponsored educational programs. Employees and attendees must comply with this policy when attending sponsored educational events. The attire for all Albany Medical Center sponsored events is business casual or appropriate clinical attire.
