Provision for Management and Coordination of Services	Section VII
Sample Letters and Forms	Section VIII

I. ACADEMIC INTERVENTION SERVICES (AIS) COMMITTEE

Academic Intervention Services (AIS) are additional instructional and/or student services that supplement the instruction provided in the general education program and assist students in meeting the New York State Learning Standards. The Watervliet City School District AIS committee has developed a plan, to be adopted by the Board of Education, in March 2014, outlining the support of Academic Intervention Services as defined by Part 100 of the Commissioner's Regulation. The Watervliet City School District- AIS Committee currently consists of the following members:

- Kirsten DeMento, Director of Curriculum and Instruction
- Janelle Yanni, Director of Pupil Services
- Ryan Groat, Watervliet Junior-Senior High School Principal
- Kelly Creaser, Junior High School Counselor
- David Olszewski, Senior High School Counselor
- Katelyn McAvoy, Senior High School Counselor
- Camelia Sofrone, WHS Math Teacher
- Theresa Buchanan, WHS Special Education Teacher
- Veronica Bedard, School Psychologist

II. PROCESS USED TO DETERMINE AIS NEEDS – CRITERIA FOR ELIGIBILITY

Students eligible for AIS are:

1. those who score below the designated performance levels on elementary, intermediate, and commencement-level State assessments in ELA, math, social studies, and science *or*
2. are recommended because they are at risk of not meeting the Standards on the NY State Assessment.

The District will also use the following measures to assess student achievement in determining the need for AIS in grades 7-12:

- ◆ Speech assessment
- ◆ Grade 3-8 State Assessments
- ◆ Review of Regents Examination scores grades 9-12
- ◆ Review of Classroom Performance (report card grades, class work, homework, student performances/demonstrations)
- ◆ Recommendations from Administrators, School Counselors, Teachers, Parents and Students.
- ◆ Review of Locally Developed Assessments
- ◆ Recommendations by WHS Student Teacher Assistance Team (STAT)
- ◆ Scholastic Reading Inventory (SRI) (Grades 7 &8 and others as needed)
- ◆ Student Attendance

For grades in which no state assessments* are given, students will be eligible for AIS if they are determined to be at risk of not meeting State Standards. This will be assessed by the school counselors at the junior senior high school.

(*Note: this includes any student who is absent for all or part of a State assessment or when a student transfers from a school outside of New York State.)

III. COMPONENTS OF AIS

AIS Services are designed to help students achieve the Learning Standards in English Language Arts and Mathematics in grades 7-12 and Social Studies and Science in grades 7-12. AIS services include two components:

- ◆ Additional instruction that supplements the general curriculum (regular classroom instruction) and/or
- ◆ Student support services needed to address barriers to improve academic performance such as discipline problems, attendance problems, health issues, family issues, mobility issues, etc.
- ◆ Progress monitoring students

The intensity of such services may vary, but are designed to respond to student needs as indicated through State Assessment results and/or the district-adopted procedures that are consistent throughout the district at each grade level.

Duration of AIS could vary according to student need. This could mean the number of times a week a student receives a service (i.e. once a week, twice a week, three times a week or daily). It may also mean the degree of instruction (i.e. large group (10-15 students), small group (5-9 students), mini group (2-4 students) or one-on-one services).

Qualified, appropriately certified staff will deliver AIS services to the students. Teacher Assistants may also be used to assist in the delivery of AIS services under the direction of the certified teacher.

IV. ACADEMIC AND SUPPORT SERVICES PROVIDED BY THE DISTRICT

The Watervliet City School District will provide AIS to all students who are eligible, including those with disabilities and/or English Language Learner (ELL) students who do not achieve the designated State Performance Standards or District Approved Benchmarks. Decisions related to the frequency and intensity of services will be based upon individual student needs. It is expected that administrators, classroom teachers, support personnel, and parents will work in collaboration in making appropriate educational decisions for all students.

The district offers a variety of services at various times in order to be flexible in meeting the needs of the students.

The following academic and support services are offered during the school day:

- ◆ District-wide Attendance Officer (7-12)
- ◆ District-wide Attendance Tracking System (7-12)
- ◆ Remedial Reading Teachers/Specialists (7-12)
- ◆ Occupational Therapists, Physical Therapists and Speech Therapists (7-12)
- ◆ Visual Itinerant Teacher (7-12)
- ◆ Student Assistance and School Counselor (7-12)
- ◆ School Nurses (7-12)
- ◆ ELL Teachers (7-12)
- ◆ Alternate Education Programs (7-12)
- ◆ English Language Arts/Reading AIS (7-12)
- ◆ Mathematics AIS (7-12)
- ◆ Global Studies AIS (7-12)
- ◆ United States History AIS (7-12)
- ◆ Living Environment AIS (7-12)
- ◆ Earth Science AIS (9-12)
- ◆ Physical Science AIS (7-12)

Beyond the school day, the district offers the following academic and support services:

- ◆ AIS Classes After School Hours at the Watervliet Junior-Senior High School Including:
 - On line classes
 - Homework support

Additional District Programs include:

- ◆ Character Education Programs (K-12)
- ◆ Academic Probation (7-12)
- ◆ Berkshire Farms Truancy Prevention Counselor (7-12)
- ◆ Albany County Probation Officer/PINS (7-12)

V. CRITERIA FOR BEGINNING, CONTINUING, AND ENDING SERVICES

A. Beginning – See Section II: Criteria Used to Determine AIS Need/Eligibility

B. Continuing –

At the junior/senior high school:

Student progress will be continually monitored by each student's school counselor using the district adopted "Academic Intervention Services Record." School counselors will report on a quarterly basis to the building principal. These reports will document the progress of all students receiving AIS. State assessment data as well as multiple measures used to determine student's progress will be included. Report cards and interims, communication with parents in the agenda books, weekly homework checklists (optional) and parent/student meetings will also be used to communicate with parents.

C. Ending – Academic Intervention Services will end when the student has successfully achieved proficiency on a State assessment in the area of need or attained the district standards according to State and/or district criteria. Each discipline will develop and execute exit assessments approved by the Director of Curriculum and the Principal for each grade level.

VI. PLAN FOR PARENTAL CONTACT AND INVOLVEMENT

The building principal will be responsible for parental notification indicating a need for Academic Intervention Services. The school counselors will provide the principal with a list of students who qualify for AIS services as well as the documentation (parent letter). This notification will be made in writing and will include a summary of the services being provided to the student including when the services will be provided. The reason(s) for AIS will be reviewed, and the consequences of not achieving the standards will be stated (see sample letter in section XIII). Additionally, the Parent-Teacher-Student Compact will be mailed home at that time as well.

Parents will also be kept apprised of their child's progress through quarterly reports, requested parent conferences, or consultations each quarter. The teacher providing AIS services to the student will be responsible for reporting students' progress. This progress will be documented and maintained on the student's interim and quarterly report cards at the junior/senior high school. The school counselors will notify the principal in writing as well as the parents (see Parent Letter) when AIS is discontinued. The letter will indicate the criteria for ending services, the current performance level of the student, and the assessment(s) that were used in determining the student's level of performance.

VII. PROVISION FOR MANAGEMENT AND COORDINATION OF SERVICES

The “Criteria for Assessing Academic Intervention Services Levels of Need” is used as a guide in considering AIS need levels. The AIS need levels have been broken down into three categories: low, moderate, and intense. We have highlighted some of the main criteria for each category. Monitoring student progress is ongoing.

NEEDS LEVEL:	LOW	MODERATE	INTENSE
ELIGIBILITY	INCONSISTENT ACHIEVEMENT; NEEDS ASSISTANCE TO SUPPORT ACADEMIC ACHIEVEMENT/ ABSENTEEISM/LOW MOTIVATION	AT RISK OF NOT MEETING THE STANDARDS ON NYS EXAM(S) OR ACADEMIC REQUIREMENTS	HAS NOT MET STANDARDS ON NYS EXAM(S) OR ACADEMIC REQUIREMENTS
INTENSITY	MONITOR	1-2X WEEK	3X A WEEK - DAILY
EXAMPLES OF POTENTIAL SERVICE(S)	<ul style="list-style-type: none"> ▪ COUNSELING ▪ STUDY SKILLS ▪ HOMEWORK SUPPORT 	<ul style="list-style-type: none"> ▪ LARGE GROUP ▪ AIS CLASS ▪ COUNSELING ▪ STUDY SKILLS ▪ HOMEWORK SUPPORT 	<ul style="list-style-type: none"> ▪ LARGE GROUP ▪ SMALL GROUP ▪ MINI GROUP ▪ ONE ON ONE ▪ AIS CLASS ▪ COUNSELING ▪ STUDY SKILLS ▪ HOMEWORK SUPPORT ▪ TRUANCY PREVENTION ▪ PROBATION COUNSELOR

The Guidance Departments will be responsible for the management of AIS student data. This data will be tracked using the district adopted “Academic Intervention Services Record” (See appendix A) and a copy will be forwarded to the building principals each quarter. This information will be examined by the AIS committee each year to improve upon the delivery of services and data management.

The annual review of each student in grades 7-12 is required to be performed by the student’s assigned school counselor. During this review, counselors will review the students’ progress with the student and discuss the need for AIS.

Academic Intervention Services may start any time, but must begin no later than the beginning of the semester following a determination that a student needs such services. At the high school level, AIS cannot be postponed until students are scheduled for a course in which AIS is needed.

VIII. SAMPLE LETTERS AND FORMS

Parental Notification of Beginning Services

September 9, 2013

Dear Parent/Guardian,

The New York State Education Department has mandated Academic Intervention Services to those students at risk of not meeting the New York State Learning Standards. Based upon your child's progress in _____ as evidenced by _____, your child has been identified as a student in need of Academic Intervention Services in the area of _____.

Please be advised that your child must meet the established New York State Learning Standards in English Language Arts, Mathematics, Social Studies and Science. These standards will be assessed at various grade levels during your child's elementary and secondary education. Failure to satisfactorily achieve these standards during your child's secondary education will prevent him/her from receiving a New York State high school diploma. Academic Intervention Service is being recommended at this time to better prepare your child to meet these standards.

The services, which will be offered to _____, include:

[list services, frequency, times, locations and provider's name]

Your child's progress will continually be monitored to determine both the intensity of services and the need to continue or terminate services. The overall objective for providing these services is to increase the likelihood your child will be successful in meeting the New York State graduation requirements.

Sincerely,

Principal

Parental Notification of Termination of Services

September 9, 2013

Dear Parent/Guardian:

I am pleased to advise you that your child will no longer receive Academic Intervention Services, effective _____, in the area of _____.

This determination is based on your child's successful progress as assessed by the following:

_____ NYS Assessment - Level/Score _____

_____ Standardized Testing - Level/Score _____

_____ Pupil Reports/Grades - Level/Score _____

_____ Student Classroom Performance _____

_____ Services Review _____

We encourage your continued involvement in your child's program of study.

Sincerely,

Principal
