

**Nanotechnology Engineering Event  
at the Watervliet Jr/Sr High School for  
4th - 8th grade students and their families**

**Saturday, April 14, 2018 at 9:00 am —12 noon**

**FREE: sponsored by RPI Materials Advantage  
Register early to get a spot!**

Nanotechnology is the study and application of very tiny things.

Come learn how Nanotechnology is used in our world today!

Students & families are invited to learn about Nanotechnology by using simple materials to solve fun engineering challenges!

**MORNING SCHEDULE**

- 9:00 AM**      **CHECK -IN & LIGHT BREAKFAST & NANO-SCIENCE DEMOS**
- 9:30 AM**      **SESSION I —NANOTECHNOLOGY 1**
- 10:30 AM**     **SESSION II — NANOTECHNOLOGY 2**
